- *Enhancing worship*

**360** is our Christian Leadership Convention.

We call it 360 because the conference is six hours long or three hundred and sixty minutes of fun, excitement, and spiritual illumination.

The convention offers six areas of opportunity for our pastors and lay-leaders to develop in the areas of Children's Ministry, Church and Pastoral Health, Finances & Administration, Adult Ministry, Worship & Mission, and Youth Ministry. In addition, there will be a Ministerial Development Seminar for those exploring a call to ministry.

This year's 360 conference will have a new format, longer classes, and a special section called "Let's Talk" which is designed to serve as a cluster setting where you ask the questions to the presenters and you determine the subject matter pertaining to the above!

This is a low cost opportunity to gather your church teams and together transform your congregations by providing them not only with the resources they need to be successful, but also the "how-tos".
